

Patient and Visitor Map

General Information

Visiting

Visitors play an important role in a patient's recovery. However, we kindly ask visitors to consider all patient needs for adequate rest and quiet. Care for our patients is our first priority and we may ask visitors to step out of a room for a period of time to protect a patient's privacy and safety.

For information on the best time to visit patients in the intensive care unit and labor and delivery, please check with the patient's nurse.

For your protection and the protection of our staff, patients and families, please do not come to the hospital if you have any of these symptoms:

- Headache/body ache
- Runny nose
- Fever
- Sneezing
- Coughing
- Sore throat

Parking

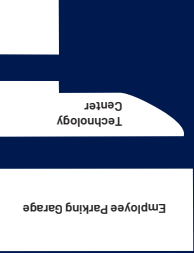

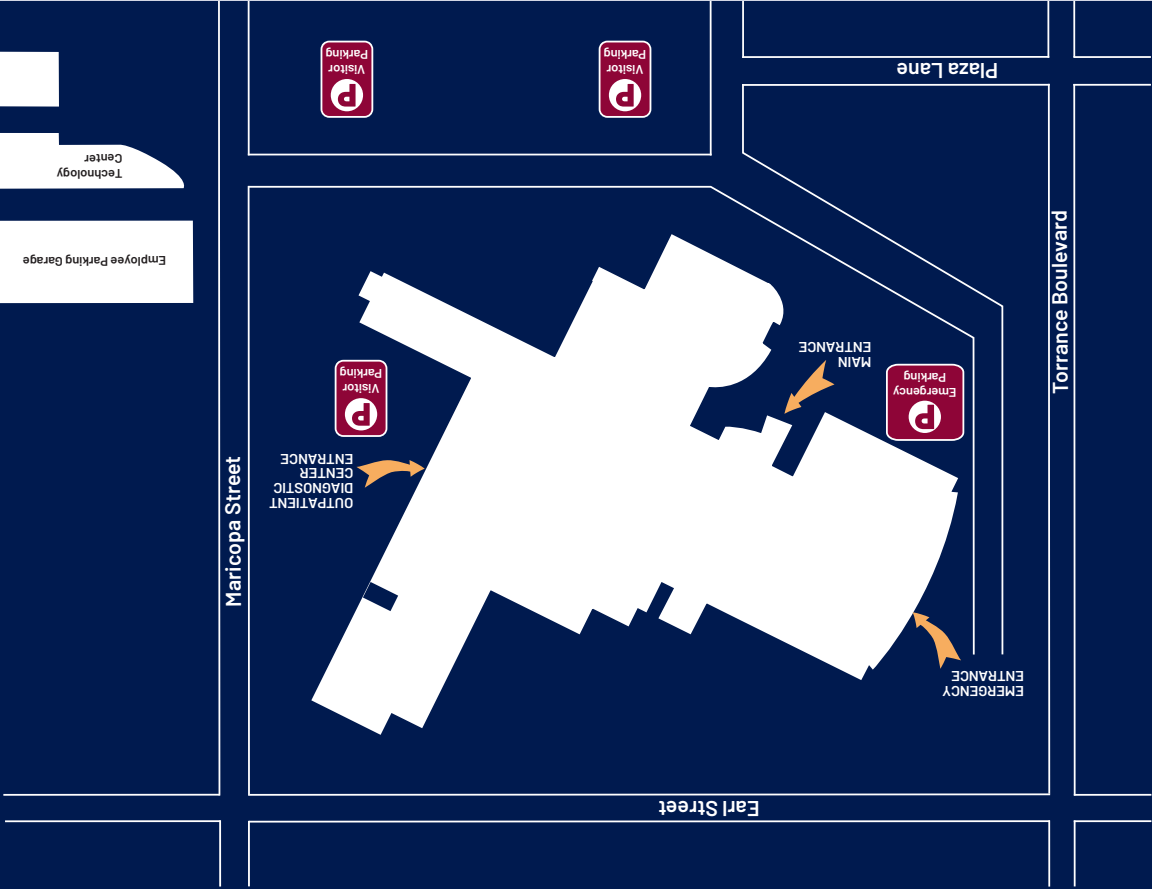

Free parking is in the main parking on the east side of the building. You may also pay to park using our Valet services located at the Main Entrance. Emergency department patients and visitors may park on the south side driveway to the emergency department.

Smoking Policy

Smoking is not permitted inside the hospital. There are designated smoking areas outside.

FREE WI-FI

Please connect to the "prov.guest" network for free Wi-Fi during your hospital stay or visit.

Our Mission
As expressions of God's healing love, witnessed through the ministry of Jesus, we are steadfast in serving all, especially those who are poor and vulnerable.

Our Values
Compassion, Dignity, Justice, Excellence, Integrity.

Our Vision
Health for a Better World

Our Promise
Know me, care for me, ease my way
